Emerald

Emerald is the most precious stone in the Beryl group. The name comes from the old French word 'esmeralde', which was derived from the Greek word 'smaragdos' meaning 'green stone'.

Emeralds have surface-reaching imperfections that can be made less noticeable with the addition of oils or resins.

Gemstone Bird Carvings

by Peter Müller

Every spring we are excited to receive our newest Gemstone Bird sculptures from Peter Muller. Peter and his wife Teja live and work in Petropolis, an historic city of Brazil. The Mullers have an advanced workshop of artisans who utilize native materials to make exceptional sculptures. We offer a small selection of Peter Muller sculptures in our catalog. Each is one of a kind. Order quickly to avoid disappointment.
