## GRAND OPENING

We are excited to announce the opening of **Crystal Gallery** by **House of Onyx, Inc.** We have moved all of the items from our former *Mineral Hall* to a new showroom at 127 N. Main Street, which is located across the street from our former location.

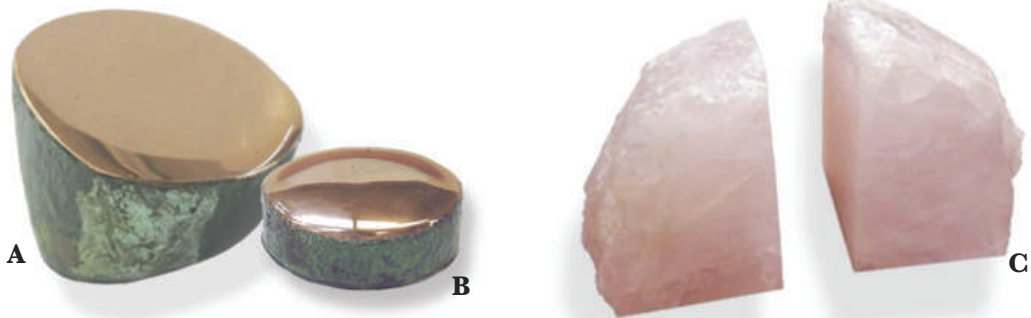

**Crystal Gallery** features mineral, crystal and fossil specimens from around the world, along with other gift items. The new location has allowed us to create better displays which we know are sure to please both you, and us.

We are having a grand opening celebration at **Crystal Gallery** from **now through August 31, 2015**. During our grand opening celebration, you will receive a **20% discount** on all regularly priced purchases at **Crystal Gallery** and in the **House of Onyx** jewelry and gemstone showroom (some exclusions apply).

# Prasiolite

Prasiolite is Quartz that has been irradiated to a light green color. This is a fresh, contemporary stone that is sure to please.

It will compliment the bright, fun colors of Summer and also blend nicely into the earthtones of Autumn, and even the frosty shades of Winter!

# Oregon Sunstone

Our gem quality Sunstone is mined in southeastern Oregon from weathered lava flows. Oregon Sunstone is a calcium rich variety of Feldspar. While Feldspar is a common mineral, the red and orange Sunstones from Oregon are a rare find. The glowing colors and transparency make this gem popular with jewelry connoisseurs and designers.
