SPECIAL GEMSTONE OFFERS - Less 20%

Each “GM” lot is described with the type of gem, the number stones in the lot, sizes, shapes, color and sometimes carat weight. “TW” stands for total weight of multiple gemstones. It is noted if the gemstones are faceted or cabbed (cabochon). Multiples of each lot are available, but many will not be replaced when our current inventory is sold out. The **20% discount** applies to all regularly priced “GM” lots listed and expires on March 1, 2018.
