Beautiful Brazilian Gemstones

The world's attention will be focused on the upcoming 2016 Summer Olympic Games in Rio de Janeiro, Brazil. While not all of the news coming out of Brazil is positive, there will be extensive news and sports coverage from our neighbor to the south. Brazil is a rich resource for gems and minerals. Large quantities of Amethyst, Aquamarine, Topaz, Tourmaline and numerous rare gems have been found there. The House of Onyx has been buying and collecting fine, Brazilian gemstones for over 40 years. We salute our friends there with this catalog. Shop our extensive inventory of beautiful Gemstones from Brazil.
